

GREEN TEA

By

American Standard

Graceful, fluid, clean and ageless are but a few of the words that have been used to describe the lines of Green Tea. With its Asian-Inspired minimalist design the new collection restores a sense of balance while adding a sense of serenity and artistry to the bathroom. Where performance and customer comfort is concerned we have added a unique pull out spout on the centreset and widespread sink faucet models for added convenience. The sink faucets also feature our Patented American Standard Speed Connect Drain Assembly system for added efficiency during the installation process.

Available in:
Polished Chrome and Stainless Steel (PVD).

July 21, 2008

TO: OUR VALUED CUSTOMERS

SUBJECT: INTRODUCTION OF GREEN TEA COLLECTION

On behalf of American Standard I am very pleased to announce the introduction and immediate availability of our new Green Tea Faucet and Accessory Collection. This latest addition to our growing line of contemporary bathroom faucets and design matched accessories is truly distinct in appearance and is sure to generate interest with a wide range of consumers.

GREEN TEA

Graceful, fluid, clean and ageless are but a few of the words that have been used to describe the lines of Green Tea. With its Asian-Inspired minimalist design the new collection restores a sense of balance while adding a sense of serenity and artistry to the bathroom. Where performance and customer comfort is concerned we have added a unique pull out spout on the centreset and widespread sink faucet models for added convenience. The sink faucets also feature our Patented American Standard Speed Connect Drain Assembly system for added efficiency during the installation process.

The Collection features Widespread and Centreset Sink Faucets, a Deck Mount Bath Filler that is available with or without a personal hand shower and a Bath/Shower combination which includes a large drenching "Rain" showerhead. The design-matched accessories include a 24" towel bar, a towel ring, a toilet paper holder and a robe hook.

Green Tea is available in Polished Chrome and Stainless Steel finishes (PVD).

Please review the attached New Product Sheet, and Specification pages for complete details and retain them in your current American Standard Catalogue. Complete Pricing Information for the Green Tea Collection can be found on pages A1, A2 and A84 of the our current 2008 Product Selector and Pricing Guide. Your American Standard Sales Representative will be contacting you shortly to review the new Collection and to assist you in placing showroom and stocking orders.

We will also be featuring Green Tea in our upcoming fall print campaign when we will continue in our efforts to encourage more consumers to discover the unique design and performance features found in American Standard faucets and accessories.

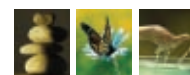

On behalf of all of us here at American Standard I would like to thank you for your continued support of our products and services. We look forward to promoting the new Green Tea Collection to your staff and to your customers.

Yours truly,

Graeme Lennox
Manager, Advertising and Marketing Services

GREEN TEA TWO-HANDLE CENTRESET SINK FAUCET WITH PULL-OUT SPOUT

MODEL NUMBER:

- 7010 201 Centreset Sink with Pull-Out Spout
Metal Speed Connect™ Pop-up drain.
Metal Lever handles.

GENERAL DESCRIPTION:

Centreset sink faucet on 4" (102mm) centres. 1/4 turn washerless ceramic disc valve cartridges. Durable cast brass valve bodies with one-half inch male inlet shanks. Brass pull-out spray spout (can be locked to spout base if desired). Complete with two integral check valves. Metal lever handles. 20 inch (500mm) long flexible stainless steel drain cable is pre-assembled to faucet body. Metal Speed Connect™ drain body with 1-1/4 inch (32mm) tail piece. 1.25 gpm/5.7L/min. maximum flow rate at 60 p.s.i. (410kPa).

PRODUCT FEATURES:

Ceramic Disc Valve Cartridges: Assure a lifetime of drip-free performance.

Cast Brass Valve Bodies: Strong and durable.

Low Lead: Meets NSF Standard 61/Section 9 & Prop 65 lead requirements.

Integral Check Valves: Prevents backflow.

Exclusive Speed Connect Metal Drain:

- Fewer Parts - installs in less time.
- No adjustments required - seals the first time, every time.
- Flexible stainless steel cable - installs effortlessly in tight spaces.

Simple Installation: Fast and easy one person installation. Faucet drops in from top. Quick spin nuts secure faucet in place.

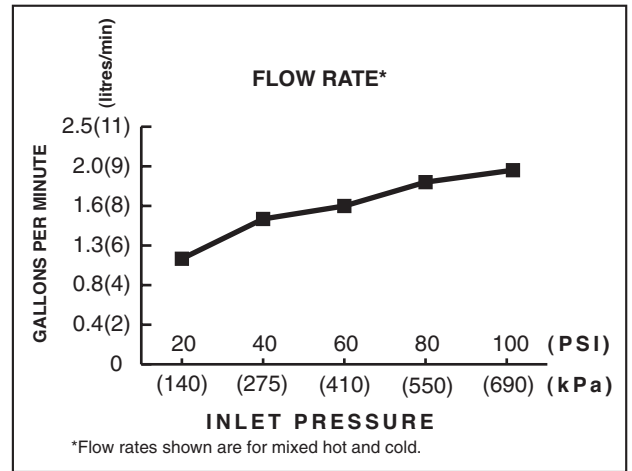

Choice of Finishes: Available in Polished Chrome, and Stainless Steel (PVD).
